Description and Location of Walls (use back of page if necessary):

---

I, \_\_\_\_\_, being a registered professional engineer in the State of Georgia, PE # \_\_\_\_\_, and being duly competent as regards retaining wall design and construction, hereby certify with my signature below:

- That the designs and plans prepared under my supervision being submitted herewith for retaining wall(s) have been performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the engineering profession currently practicing under similar circumstances; and that said retaining walls:
- Provide(s) factors of safety for sliding, bearing, overturning, and global stability of 1.5, 2.0, 2.0, and 1.5 respectively, and 1.5 for geo grid pullout and rupture if a geo grid wall design;
- Is/are in good practice as regards drainage and structural stability;
- Is/are not designed to result in disturbance or erosion to other properties;
- Do/does not block, cross, or eliminate access to any easement, buffer, setback, detention/retention pond, or tree save area;
- And that I have advised the owner listed above that said wall(s) must be constructed under the supervision of a qualified and registered professional engineer and licensed contractor so as to result in a safe and code conforming installation.

I hereby acknowledge that Mountain Park will issue this permit based upon my design.
